

White Lodge Owner Association Amenities and Offerings for Members

Green Space

The White Lodge subdivision offers plenty of green space for members to enjoy, providing a natural and open environment.

Hiking Paths

Members have access to hiking paths within the community, ideal for outdoor recreation and exploration.

Boat Slips

Boat slips are available, giving members access to water-based activities on the Huron River Chain of Lakes.

Access to Huron River Chain of Lakes

The community provides direct access to the Huron River Chain of Lakes, enhancing opportunities for boating, fishing, or other lake-related activities.

White Lodge Clubhouse

A grand lodge overlooking Cordley Lake serves as a central amenity. It includes:

- **Great Room:** A spacious area for gatherings or events.
- **Four-Stove Kitchen:** Equipped for preparing meals, suitable for community events or private rentals.
- **Main Floor Access:** Likely includes additional facilities or space for activities.

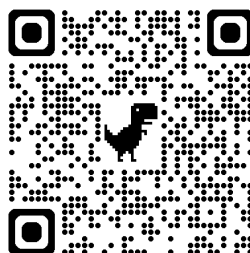

Private Beach on Cordley Lake

Members can enjoy a private beach area on Cordley Lake, offering a scenic spot for relaxation or swimming.

Clubhouse Rental

The White Lodge Clubhouse is available for rent, providing a venue for private events, parties, or community gatherings. Members can contact the Clubhouse Host for additional details.
